

Catholic Early Learning & Care
**Childcare &
 Community Kindergarten
 Redlynch**

Our Aim:

At Catholic Early Learning and Care (CELC), we strive to provide high quality care and value for money for the children that attend our services and their families. The long-term viability of our childcare operations is essential to our mission of supporting the families within our Diocese. Our goal is to operate in a financially responsible manner that benefits children, staff and families by providing quality care, continuing employment and affordable fees at each service. The collection of fees and management of debts is performed in an ethical and efficient manner to ensure the quality of care provided is not affected by non-payment of fees.

Please note that we have endeavoured to keep fees at the same level for as long as possible, however due to increasing costs we must increase our fees accordingly. Fees in the table below will be **effective from 22 January, 2018**.

It is our policy to:

- ☀ Collect fees weekly via Ezidebit for the prior weeks' care.
- ☀ Send weekly statements prior to the Ezidebit deduction.
- ☀ Provide significant savings to families by not charging fees on public holidays or during centre closure periods.

Setting of Fees:

Setting of fees and charges will take into consideration affordability for families, the quality of service provided, demand and local economic conditions. Unlike many other centres we do not charge fees on public holidays or during periods of closure. This provides a significant discount compared with other service providers. Fees are reviewed annually at the end of each calendar year. Changes to fees in 2016 will be applied from 22 January, 2018.

Enrolment Fees:

Each child's enrolment will only be secured after receipt of a \$100 enrolment acceptance fee. This is a non-refundable fee.

Bookings:

It is a legislative requirement that all childcare service providers have correct staff/child ratios when children are in our care. In addition, each service has a maximum number of licensed places that it must not exceed. Booking requests need to be made at least 24 hours before care is required and can only be confirmed if a place is available. In extreme emergencies exceptions may be made. However, additional paperwork and/or reasons to justify the late acceptance of your child/ren may be required.

Planned Leave Periods:

Upon written application, fees may be reduced for family leave periods of up to two weeks of your standard booking pattern. A minimum of 14 days written notice is required before taking leave for approval to be considered or full fees will be charged. Full fees will be charged and payable during the period of leave. CCB and/or other rebates will be applied to the leave period once the child physically returns to the centre (see non-attendance on first and last days below).

Notice Periods:

We ask that you provide as much notice as possible when changing or cancelling your permanent or part-time booking to allow us time to change staff rosters. As a minimum we require 14 days written notice.

Non-Attendance on First and Last Days of Care:

Family Assistance Law does not permit Child Care Benefit (CCB) to be applied to fees charged for children who do not physically attend their first booked day(s) of care or last booked day(s)*. Therefore, full fees will be charged on these days regardless of notice provided. Please note that if your child is absent and does not return for a period of six weeks any CCB and/or CCR will be adjusted retrospectively as required by law. Any additional gap will be payable once we have confirmed that your child will not be returning or at the end of a six week non-attendance period. We request that you advise us as soon as possible if your child will not be returning to the centre.

Late Fees:

Children collected after the 6pm closing time will incur a late fee of \$10.00 per child for every 5 minutes until collected. (e.g. pick up at 6.10pm for 2 children will incur a late fee of \$40.00. 2 children at 6.15pm will incur a \$60.00 late charge). This fee is to cover additional staffing costs.

Recovery of outstanding fees:

Failure to pay fees within agreed timeframes is a breach of the conditions of your child's enrolment and may result in withdrawal of child care until payment is received in full or a payment plan is negotiated. Failure to adhere to the negotiated agreement may result in termination of care and account referral to a debt collection agency. All debts collection costs will be added to your account.

Genuine Hardship Cases:

The Diocese will make every effort to assist families to deal with exceptional circumstances they may be experiencing. Pastoral care support, professional counselling and/or financial assistance from within the Diocese may be offered to families in need. Families may contact the Chief Executive Officer of the Cairns Diocese via email, mail or phone to discuss their needs. Please see our "Contact Us" page for details.
