

Catholic Community Kindergarten Enrolment Expression of Interest

Name of Service:

You have enquired about placing your child in a Catholic Community Kindergarten service. The following information is required **prior to the commencement** of the enrolment process. It is important that you complete all sections to the best of your knowledge to ensure that the optimal placement of your child can be considered.

Children with medical and special care needs often have additional support requirements. It is vital that these needs are identified prior to enrolment as some modifications to services and resources may be necessary to best accommodate for all children in the setting.

The provision of personal information about your child is required under the *National Education and Care services Regulations 2012*. This information will remain confidential and be stored in accordance with the *Privacy and Personal Information Protection Act 1998*. Further information pertaining to our Privacy Policy and Procedure is available on our website.

*Please provide the following information and return to your service of choice. You will be sent notification as to the receipt of this expression of interest. Submission of this form **does not** constitute a guaranteed placement of your child at the service.*
